

City of Welland 2011-2016 Strategic Plan

1. As part of our community, what would you consider to be a successful outcome to each of the City's Strategic directions being:

- **A Sustainable Community** by living within our limits and means.
- **A Prosperous and Progressive Community** by ensuring quality of life.
- **A Healthy Community** by building on the overall health and wellness of our community.
- **An Accessible Community** by improving and enhancing our infrastructure.
- **A Community of Partnerships** by working together toward common goals.
- **A Community Connected Through Communication** by being inclusive, open and proactive.

AND

2. How would you measure the success of the outcomes?

- Living within our limits and means.
- Ensuring quality of life.
- Building on the overall health and wellness of our community.
- Improving and enhancing our infrastructure.
- Working together toward common goals.
