Former Atlas Steels Offices See New Life

*New Opportunities being announced for Welland-based Companies
and Entrepreneurs to Grow and Prosper*

For Immediate Release – September 30, 2009 – 5:00 p.m.

Welland – Mayor Damian Goulbourne will be at the former Atlas Steels Office tomorrow to make an announcement regarding new funding the City of Welland has received through FedDev Ontario's, Community Adjustment Fund program. These new funding dollars will be used to create a program designed to provide intensive one-on-one innovation support to Welland-based companies and entrepreneurs. The former Atlas Steels offices will be abuzz with activity over the coming months as the location will be used as the home-base for this new program.

When: Thursday, October 1, 2009
Time: 3:30 p.m.
Where: 27 Centre Street, Welland (former Atlas Steels Office)

FedDev was created to provide programs that will support economic and community development, innovation, and economic diversification, with contributions to communities, businesses and non-profit organizations.
