

MEDIA RELEASE

150TH ANNIVERSARY HERITAGE COMMITTEE LAUNCHES SPECTACULAR COMMEMORATIVE BOOK

For Immediate Release – Friday, December 5, 2008

Welland – It was well worth the wait. That sentiment seemed to be the consensus following today's launch at the Seaway Mall of the 150th Anniversary Heritage Committee's long-awaited commemorative book.

"This book is the result of months and months of arduous work by our Committee members. It was a labour of love and never would have happened without their dedication and without the contribution from members of the community," stated Thies Bogner, Chair of the 150th Anniversary Heritage Committee.

The 150th Anniversary Commemorative Book, titled "Walking Through Welland," is over 400 pages of a pictorial history of Welland. It includes some never before seen photos of Welland throughout the last century. According to Deanna Villella, 150th Anniversary Committee Co-Chair, "This book is absolutely spectacular and will certainly be a treasured keepsake for those interested in our heritage. It would make a great Christmas gift."

The book retails for \$35 (including taxes). There are limited quantities available and this issue is the only printing.

In addition to the Seaway Mall (Customer Service), the book is available for purchase at the following outlets:

Welland Civic Square
Welland Historical Museum
Rose City Seniors Activity Centre
Our Book Store (Fitch Street Plaza)
Bogner Photography
Welland Hospital Auxiliary Gift Shop
