Policy Statement

The objective of the policy is to ensure that funding allocations are made according to established and common criteria. The City of Welland recognizes the contribution of voluntary and charitable organizations and individuals to the quality of life enjoyed by the City. City Council has adopted a policy with respect to providing financial assistance to these organizations and persons. In addition, the city has a zero tolerance policy for any applicant that provides false or misleading information.

Policy Details

Legislative Authority in the Municipal Act provides for the making/awarding of grants:

Section 107, Municipal Act, 2001

Despite any provision of this or any other Act relating to the giving of grants or aid by a municipality, subject to Section 106, a municipality may make grants on such terms as to security and otherwise as the council considers appropriate, to any person, group or body, including a fund, within or outside the boundaries of the municipality for any purpose that council considers to be in the interests of the municipality.

Definition

For the purposes of this policy and the awarding of grants and assistance to not-for-profit organizations, the definition of not-for-profit corporations (as defined in Section 1.4 of the Not-for-Profit Incorporators Handbook of the Province of Ontario) is as follows:

"Not-for-profit corporations are organizations that carry on activities without pecuniary gain. They are incorporated under Part III of the Corporations Act as corporations without share capital."

This policy recognizes five (5) most common types of not-for-profit corporations:
1. General type - this would include such corporations as ratepayers’ associations, professional associations, community organizations, etc.

2. Sporting and athletic organizations, arts & cultural

3. Social clubs - these are corporations with objects in whole or in part of a social nature.

4. Service clubs such as Rotary, Lions, Kiwanis and Optimist.

5. Charities - these would include religious organizations and organizations that are engaged in carrying out certain good works that are of benefit to society.

Note: A primary difference between a charity and another type of not-for-profit corporation is that upon dissolution a charity is required to distribute its remaining assets to other charities, not to its members. Other types of not-for-profit corporations may (unless prohibited from so doing in its charter or by-laws) on dissolution distribute remaining assets among members. Also, a charitable corporation, because it usually solicits funds from the public and enjoys certain legal and tax advantages (e.g. under the Income Tax Act - Federal) is subject to more stringent reporting requirements than a not-for-profit corporation of another type.

GENERAL PRINCIPLES

a) City Significance & Need

This policy does not speak to grants or requests made by the City to other levels of government.

An organization seeking assistance should ensure City significance is stated clearly in its purpose for seeking assistance. City significance includes, but is not limited to, the following:

An organization serving the municipality of the City of Welland;

An organization that does not duplicate services provided by another agency, by the City itself or an area municipality;

An organization that can meet an identified and quantifiable need in the community, as determined by City Council, and can demonstrate the need for the service;

The acceptance of any City grant obligates the accepting organization to allow any citizen of the City to participate in that organization’s activities;

Organizations should not be in conflict with the other criteria and conditions in this policy.

b) Funding
The City will not provide grants to organizations that, in turn, give grants.

An organization should be able to demonstrate the need for City funding and also demonstrate that it has sought funding from other sources including appropriate and applicable fundraising. The awarding of grants is to provide assistance, and not establish dependency. City Council will not consider any permissive grant application to any organization receiving a grant for three (3) consecutive years.

Organizations or individuals seeking assistance are limited to one (1) request per fiscal year (City) irrespective of the amount requested. Applicants should include all possible anticipated costs in their application. A denied request constitutes the request for the year (in other words, if a request is denied the organization may not re-apply for any reason for a grant or grant-in-lieu within the fiscal year).

c) Recognition of the City’s Contribution

Any organization receiving a grant from the City will recognize the City’s contribution in any promotional literature which may be prepared by the organization.

d) Use of Funds

Any grant funding approved by the City must be used for the purposes stated in the organization’s application, unless prior approval to change the purpose of the grant is given by the City.

e) Commitment by the City

The approval of a grant in one year or over several years in no way obligates the City of Welland to future funding for an organization. Likewise, meeting all of the conditions for a grant does not obligate the City to provide a grant to any organization.

f) Organizational Status

For an organization to be considered for a grant from the City, it must:

Be managed by a voluntary board of directors who will take responsibility for the receipt and disbursement of funds,

Be a not-for-profit organization,

Have a majority of its clients or members as residents of the City or otherwise provide a significant benefit to the City; and

Be committed to the use of volunteers.
