### Policy Statement:

- 1) That all expenditures incurred for the provision of Residential Sewer Lateral Cleaning be incorporated within the Sewer Service Rate.
- 2) The City of Welland Public Works Department shall undertake CCTV inspection of problematic sanitary laterals when requested by the Public and that repair or replacement be performed as required when laterals are found to be defective within the municipal right-of-way as identified by CCTV inspection.
- 3) Maintain the current enhancement program for the replacement of deficient sanitary laterals by encouraging the homeowner to replace the privately owned portion of the lateral through investigation by means of CCTV inspection of sanitary laterals.
