MESSAGE FROM MAYOR FRANK CAMPION – May 1, 2020

This is a time of great uncertainty worldwide. We are dealing with an unprecedented situation that is impacting us all. There has never been a time where compassion and tolerance is more vital.

I would like to express my gratitude to all our residents for continuing to practice social distancing. However, we must continue to practice the physical distancing guidelines if we want to win the war against COVID-19. Please keep physically isolated and limit your contact with others. Please do not be the one that passes the virus along to our friends and loved ones.

Thank you to the front line health workers, EMS and the many people that keep our essential services operating during this difficult time. They are at the front lines and we all need to do our part in protecting them and ourselves.

I would also like to applaud all the volunteers for their dedication, generosity and their immense contribution to our community.

Welland City Council and staff are committed to the health and safety of our residents. We all have a personal responsibility in the fight against COVID-19. Stay safe, stay healthy and we will get through this together.

Please visit the City of Welland website www.welland.ca and the Niagara Region website www.niagararegion.ca/covid19 for information on COVID-19.
