

COVID-19 UPDATE

Due to the acceleration of COVID-19 cases, the Ontario Government has imposed a province wide lockdown effective December 26, 2020. This lockdown will last at least 28 days. I urge everyone to please continue to protect yourselves and your families by remaining vigilant and doing your part to slow the spread of COVID-19:

- Do not gather with those outside of your home.
- Only go shopping for necessities. Consider curbside pick-up and delivery that supports local businesses.
- Avoid non-essential travel.
- Wear a mask and be sure to wash your hands frequently.
- Staying home if displaying symptoms or having been in close contact with cases of COVID-19.

We need to continue to act responsibly to make certain we are taking precautions to stop the spread of COVID-19. Not following these directives may result in significant fines, while putting lives at risk.

2020 has been a challenging year but we need to persevere to get through this health crisis together as a community.
