INSTRUCTIONS FOR APPLYING FOR VACANCY REBATE PROGRAM

This application will be evaluated according to the criteria and eligibility requirements set out in the *Municipal Act, 2001*. Rebates may be issued as a credit against an outstanding tax liability or through direct payment to the property owner. The municipality or the Municipal Property Assessment Corporation may contact the applicant to request further information to assist in verifying eligibility or identifying the vacant area.

Inspections – The applicant must schedule an inspection with the City of Welland Building Division within 2 weeks of submitting their application for vacancy rebate. Only those properties that pass the inspection will be considered for the vacancy rebate. Please note, partially vacant properties applying for a vacancy rebate **must** include a sketch of the vacant area including square footage.

Please contact the Building Division to schedule your inspection:

Corporation of the City of Welland

The Inspection must be scheduled within 2 weeks of submitting application for vacancy rebate. Otherwise, the application will be denied.

Penalties – For the purpose of verifying a vacancy rebate application, municipalities have been given similar rights as assessors to request information and obtain access to premises. A fine of \$100 per day may be imposed upon a property owner for failure to comply with a municipality's request for information.

A person who knowingly makes a false or deceptive statement in an application for a rebate is liable, upon conviction, to a fine of double the amount of the rebate that the person sought to obtain through their false or deceptive statement.

Appeals – If a municipality fails to process a rebate application within 120 days after the deadline for submitting applications (or within 120 days after the owner has provided all of the information required in support of the application, whichever date is later), the owner may appeal to the Assessment Review Board (ARB) to ask the Board to determine the amount of their rebate entitlement.

Property owners who disagree with the amount of the rebate that is calculated by the municipality can appeal to the ARB within 120 days after receiving notification of the rebate amount from the municipality.

For complete information about eligibility and application requirements, refer to the *Municipal Act, 2001, c.25, s.364*.

The information on this form is collected under the authority of section 364 of the Municipal Act. It will be used only for the purposes of determining eligibility for a property tax rebate and the amount of the rebate in respect of vacant commercial and industrial buildings. Questions about the collection of this information should be directed to the municipal freedom of information and protection of privacy coordinator at the municipality.
