

The City of Welland has over 447 acres of parkland for children to enjoy! Join our playground leaders for some truly extraordinary summer fun! Informal games, activities and creative crafts in the park for absolutely free!

Parents are responsible for their children at all times.

The City of Welland and the Welland Neighbourhood Project does not assume any responsibility for participants.

This program is loosely structured so that children may come and go as they please.

Daycares are welcome to attend, as long as appropriate staff/child ratios are maintained.

Program may be cancelled due to inclement weather (thunder and/or lightning).

Free drop-in program, no registration required
