

Champions WELLAND LEADING THE WAY

Monday, May 05, 2014
FOR IMMEDIATE RELEASE

KICK THE TIRES

Welland, ON – The City of Welland is leading the way in roads infrastructure by partnering with Niagara Roads Supervisors Association (NRSA) to host a mini tradeshow on Thursday, May 8, 2014, from 9:00 a.m. to 2:30 p.m. at the Welland Arena, located at 501 King Street. “Kick the Tires” aims to promote and highlight the wide range of practices and products of road construction and maintenance performed by NRSA members.

The City of Welland’s General Foreman of Public Works and Vice President of NRSA, Vincent Beaudoin, is organizing the tradeshow. “We hope “Kick the Tires” will develop into an annual event and give other municipalities the opportunity to host,” said Beaudoin.

Although the event is designed to educate and provide a networking opportunity for NRSA members, the public is also invited to discover the innovative machinery that keeps municipal roads safe. “This has been one of the toughest winters our Region has had over the past ten years. It’s created significant challenges related to roads maintenance and repair programs,” said Beaudoin. The event allows municipal staff to engage in discussions on best practices, while the community has the opportunity to view the equipment on display.

“Kick the Tires” will feature a variety of equipment, products, and presentations. The Arena parking lot will showcase a wide range of innovative maintenance equipment, while the Arena Community Room will feature displays and offer presentations. For more information regarding this event please contact vince.beaudoin@welland.ca or ray.chamberlain@welland.ca.
