MAYOR LAUNCHES 2016 CHRISTMAS CARD PHOTO CONTEST

Welland, ON – Mayor Frank Campion is pleased to announce the first annual Christmas Card Photo Contest. Our City will begin receiving submissions of local holiday themed photographs from Welland residents. The winning entry will be featured on the 2016 official City of Welland Christmas Card...so get some good shots this holiday season to submit for next year's card.

The contest is open to Welland residents with or without photography experience. The judges are looking for holiday scenes or events photographed within Welland. "There is an amazing amount of creative talent in our community and I'm looking forward to seeing some spectacular photographs entered" said Campion. "I'd like to see them take advantage of this contest as another opportunity to showcase their work."

Although the winning photograph will not be published until the 2016 holiday season, the contest is being launched now so that photographers can shoot potential photo submissions through the 2015 holiday season. "We want to see photos that reflect the holidays here in our beautiful city," added Campion. Photo entries for the contest are accepted up until October 2016. Full details for the contest and contest forms can be found on the City of Welland's website at www.welland.ca in the forms and applications section.
