**WELLAND'S FRAZER STREET RECOGNIZED AT WELLAND ROTARY WAY**

**Welland, ON** – The Rotary Club of Welland and the City of Welland are excited to unveil new street signage at the corner of Frazer and Mill Streets as Welland Rotary Way. The signage recognizes the contributions and community improvement efforts made by the Welland Rotary Club. The new signage is a tribute to the collaboration between Welland Rotary Club and Habitat for Humanity Niagara in developing housing on Frazer Street between 2009 and 2011.

The City of Welland's Commemorative Street Naming Program recognizes local organizations that have made contributions in the community based on historical content and/or community involvement. Although Frazer Street will retain its legal street name, the new Welland Rotary Way signage will stand as a reminder and observe how Welland Rotary Club made significant contributions to the Habitat for Humanity Niagara build on Frazer Street.

"I'm proud of the leadership Rotary Members provide both within the local community and the community at large," said Welland Rotary President David Alexander. "In this case, four Rotarians, Nick Bodo, Paul Leon, Roman Groch, and Graham Speck stepped up and supported this initiative. We are also proud of our partnership with Habitat for Humanity Niagara."

**Where:** Corner of Frazer and Mill Streets, City of Welland.

**When:** Wednesday, September 12, 2018, at 10:00 a.m.

The Rotary Club is an international organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.
