The breakfast program at Plymouth School welcomes Honourary Helper Mayor Frank Campion

Welland, ON. (February 9, 2018) — The City of Welland, with Mayor Frank Campion at the helm, continues its support of school based breakfast, snack and lunch program, providing “Food4Fuel and a chance to “Eat Right and Learn” for more than 17,000 school children across Niagara.

Niagara parents regardless of socio-economic background can be confident in knowing that while in school, their child has access to healthy, balanced meals and snacks that are held to the highest standards of quality and nutrition.

NNP is dedicated to organizing, educating and equipping over 200 existing school programs and hundreds of volunteers who run individual programs in schools handling everything from food purchasing, preparation, serving and clean up. The goals of the programs are to provide children with the necessary nutritional fuel required for energy, concentration and ultimately an increased chance of success at school. NNP works with elementary and secondary schools within the District School Board of Niagara, the Niagara Catholic District School Board, and the CSD - Catholic Centre - Sud. In addition to provincial government grants, NNP relies on community fundraising for 85 per cent of annual costs.

WHAT: Mayor Campion will be on hand to help serve a pancake breakfast to the student population.
