### **CITY EXTENDS COLD ALERT PROGRAM TO INCLUDE EMERGENCY OVERNIGHT SHELTER**

With temperatures plummeting below  $-15^{\circ}\text{C}$ , The City of Welland has initiated an emergency warming shelter for Niagara residents in need of overnight shelter. The shelter is located at Civic Square, 60 East Main Street, Welland. The city's Emergency Overnight Warming Shelter is a safe warm place for people to find relief from extreme winter conditions. Presently, the shelter is able to accommodate up to 10 people. The emergency shelter is open to the public when Environment Canada issues a cold alert in Niagara of temperatures  $-15^{\circ}\text{C}$  and will operate between the hours of 7:00 p.m. to 8:00 a.m.

People seeking overnight shelter are encouraged to contact 211 services first for assistance in locating the most appropriate accommodations; however, people are welcome to use the shelter on a drop-in basis for overnight stay if the shelter is not at capacity. The public is encouraged to check-in for overnight stay early in the evening due to the shelter's 10 person capacity limit.

In conjunction with the city's Emergency Overnight Warming Shelter, the city also directs the public to the following daytime warming stations:
