MEDIA RELEASE

SCUBA SAFETY

Welland, ON – To all the SCUBA Divers who visit Welland, The City of Welland is happy to offer a SCUBA Park free of charge to Divers from within our community and beyond. The site has grown over the years to include many features and submerged items to explore. The Welland SCUBA Park offers a fun and enjoyable dive for the beginner to the advanced diver. It is enjoyed by many groups and Dive Clubs.

The City asks all Divers to follow all recommended safety practices, and to have a Dive Flag on the surface of the water. This is an important signaling device for people who are enjoying the surface of the water with boats and swimming as well as Firefighters who may be required to respond to an emergency on the waterway with the Rescue Boat.

Please share this safety message and encourage all Divers and Groups of Divers to have at least one flag on the surface, indicating that there is a person below. We hope that every visitor to our waterway has a safe and enjoyable experience.
