

TOUR OF NEW FIREHALL STATIONS

Welland, ON – Construction is well underway at the two new Welland Fire and Emergency Services Fire Stations. Fire Station #1, located at 400 East Main Street (former Atlas Steels property) and Fire Station #2, located at 636 King Street.

Mayor Frank Campion had the opportunity to tour both Fire Station sites. He was joined by Councillors Bryan Green, Bonnie Fokkens, Claudette Richard, John Chiocchio, Adam Moote and Jim Larouche. Also attending the tour were Fire Chief Adam Eckhart along with Jason Mooney, Bill Katsiroumpas, Jaber Inyat and Adam Arsenault from the project management firm, Mettko.

“This is an exciting time for the City of Welland as it makes a significant investment in community safety.” said Mayor Frank Campion.

“Welland has an incredible and highly respected Fire and Emergency Services Department. This is an integral step in ensuring that Welland Fire and Emergency Services remains a leader in fire service.”

Fire Chief Adam Eckhart stated, “The new fire stations will improve public safety across the community and our first training center will provide incredible opportunities to enhance firefighting skills for years to come. WFES is excited to see their new facilities and humbly thank everyone who made this possible.”

METTKO is excited to have the opportunity to work closely with City of Welland’s Fire Chief and his team and to be part of the integrated team to design and construct the new environmentally sustainable fire stations as well new landmarks to the Welland community.”, stated Jason Mooney, Mettko Project Management.

Construction is expected to be completed on both firehalls in the spring of 2022.
