PUBLIC SERVICE ANNOUNCEMENT

ACCESS TO WELLAND'S WATERWAYS DURING COVID-19 LOCKDOWN

Welland, ON – The City of Welland would like to remind the public that access to its waterways is permitted during the Province's Stay-At-Home Order.

The River Road boat launch remains open for access to the Welland River for fishing and recreational use. Activity on the Welland Recreational Waterway is limited to individual recreational non-motorized use. Public access docks are available at the Welland Recreational Flatwater Centre and Rotary Club of Welland Park at Lincoln Street.

Provincial guidelines must be followed before, during, and after accessing all waterway points. A minimum physical distance of at least two metres must be kept between individuals, except members of the same household, a member of one other household who lives alone, or a caregiver for any member of either household.

You are reminded to plan for on-water activities, exercise cold water safety protocols and to protect yourself from sudden exposure to cold water.
