MEMORANDUM

TO: Welland City Council

FROM: Mariannie Laurence – Facilities Project Coordinator, ProCertAM

DATE: January 30, 2026

SUBJECT: Kraft Hockeyville 2026 – LIV Communities Arena Campaign

City staff are pleased to share that LIV Communities Arena (formerly known as the Main Arena) has been nominated for Kraft Hockeyville 2026, a national competition that celebrates community hockey and provides funding for arena improvements. This initiative presents an opportunity to secure external funding and national recognition for the arena, reinforcing its role as a vital community asset.

If successful, prize funding would be directed to priority improvements at the LIV Communities Arena, including a new electric resurfacing machine, installation of digital displays, and controlled access for changerooms. These upgrades are aimed at improving safety, accessibility, operational reliability, and overall user experience. These assets are also transferable and could be repurposed for use in a future new arena facility, supporting long-term value for the City.

This initiative was fully endorsed by the City of Welland's Arenas Advisory Committee on January 28, 2026.

Competition Prizes

- **Grand Prize:** \$250,000 in arena upgrades and the opportunity to host an NHL Pre-Season game
- **Runner-Up:** \$100,000 in arena upgrades
- **Provincial and Territorial Winners:** 11 additional communities will each receive \$50,000 in arena upgrades

Community Impact and Importance of LIV Communities Arena

The LIV Communities Arena has long been a hub for local hockey, recreation, and community events. It serves numerous teams and leagues, provides valuable programming for youth and families, and has been a key gathering place for generations of Welland residents. Winning Kraft Hockeyville would enable essential upgrades that enhance accessibility, safety, and overall experience for all users.

Engagement Strategy & Call for Support

A community campaign is currently underway to encourage residents, athletes, and individuals with ties to the arena to share their personal stories on the Kraft Hockeyville Welland website. The community rally period runs from February 2 to March 1, 2026, making this a critical time to mobilize support. Outreach efforts include social media, internal communications, and partnerships with arena user groups and local project champions.

Council members are encouraged to:

1. Share a compelling story about the arena through the Kraft Hockeyville website here:

<https://hockeyville.kraftheinz.com/community/11eec547182a4f805668e47f078f9490>

2. Promote this opportunity through social media channels and mailing lists to help build momentum, as communications are shared on City of Welland platforms. Supporting tools are available at:

https://hockeyville.kraftheinz.com/rally_tools

Re: Resolution # 2025 - Call on Province of Ontario to Establish an Ontario Airport Capital Assistance Program (OACAP)

On January 12, 2026, Council of the Town of Fort Frances passed the following into resolution:

Whereas the Fort Frances Municipal Airport serves the Town of Fort Frances, the District of Rainy River, and the First Nation communities of the Southern Treaty #3 region; and

Whereas the Fort Frances Municipal Airport plays a vital role in supporting medevac flights, wildfire response operations, business travel, tourism, and the movement of essential goods for the entire region; and

Whereas the termination of scheduled passenger air service in May, 2024 resulted in the loss of eligibility to funding through the federal Airport Capital Assistance Program (ACAP); and

Whereas other provinces, including British Columbia, Saskatchewan, and Alberta, have recognized the importance of regional airports by establishing dedicated provincial funding programs, and Ontario currently does not; and

Whereas maintaining aging airport infrastructure has become increasingly difficult without predictable provincial support; and

Whereas regional airports serve broader provincial and regional interests, and municipalities cannot shoulder the financial burden alone.

Therefore, be it resolved that the Council of the Town of Fort Frances hereby calls upon the Province of Ontario to:

- 1. Establish an Ontario Airport Capital Assistance Program (OACAP) to provide dedicated annual funding for small and regional airports; and*
- 2. Ensure eligibility for a broad range of capital projects, including safety upgrades,*

equipment replacement, and runway maintenance; and

3. Engage municipalities in program design, ensuring local needs and realities are reflected in funding criteria; and

4. Recognize the essential role of airports in medevac and emergency services, especially in remote and northern communities.

Subject: A Call to Action: Standing Together for Justice and the Protection of Canada's Children

Dear Fellow Mayors,

I write to you today not only as the Mayor of Welland, but as a member of a community that has been deeply shaken by an unthinkable act in August 2025: the brutal sexual assault of a three-year-old child. This tragedy has horrified our residents, leaving families in grief and disbelief, and compelling us as leaders to confront the uncomfortable truth that our justice system is failing to adequately protect our most vulnerable.

While no policy can erase the trauma this child and their family will endure, we have a moral obligation to act. This moment demands leadership from all of us, to raise our collective voices and ensure that meaningful reform takes place.

I urge you to join me in calling on provincial and federal governments to take immediate and decisive action by advancing the following measures:

- The full and expedited implementation of recent federal bail and sentencing reforms, so that new provisions designed to protect the public—particularly victims of violent sexual crimes—are applied swiftly and consistently across all jurisdictions.
- Strengthening bail and sentencing provisions so that individuals charged with, or convicted of, violent sexual crimes face the strictest possible conditions, including limits on early release in cases of extreme brutality.
- That parole eligibility for sexual offences against children reflects the full gravity of these crimes, limiting conditional or early release for offenders who pose ongoing risks to community safety.
- Strengthening the National Sex Offender Registry, providing communities and police with timely, accurate information and effective tools to safeguard residents.

Canadians must be able to trust that our justice system prioritizes public safety—especially the safety of children—above all else. Communities like ours cannot bear the weight of knowing that legislative gaps may allow dangerous offenders to harm again.

I am calling on you, my colleagues in municipalities across Canada, to:

1. Pass council resolutions urging your respective provincial governments to review and strengthen laws protecting children from violent offenders.
2. Collaborate through FCM and provincial municipal associations to bring a united municipal voice to Ottawa and all legislatures across the country, advocating for the timely implementation and continued enhancement of justice reforms.
3. Engage your local MPs, MPPs/MLAs, and their governments to advocate for continued legislative and judicial reform.

4. Support awareness and prevention efforts within your communities to reinforce the safety and well-being of every child.

Together, we can create a wave of leadership that demands justice and refuses complacency. The protection of children transcends politics and geography; it is a shared duty that defines who we are as a nation.

Thank you for standing with us in this urgent cause. I would welcome the opportunity to coordinate efforts with you and your councils to move this national call forward.

With respect and solidarity,

Frank Campion
Mayor of Welland

RESOLUTION PAGE

Regular Meeting of Council

Agenda Number: 4.4.1.
Resolution Number 2026-009
Title: Nation Building Improvements to Highways 11 / 17 (2+1 & Four-Lane Options)
Date: January 21, 2026

Moved by: Councillor Laframboise
Seconded by: Councillor Loftus

WHEREAS Canada's east-west trade and national mobility rely on the Trans-Canada Highway system, including Highways 17 and 11 across Northern and Eastern Ontario, which carry significant freight volumes but remain predominantly two-lane corridors;

AND WHEREAS four-laning the entirety of Highway 17 is the ultimate goal of the communities along the corridor;

AND WHEREAS the proven "2+1" highway design - alternating passing lanes with a continuous median barrier - delivers safety outcomes comparable to full twinning at substantially lower cost, land, and environmental impact, and can be scaled or converted to four lanes (2+2) as volumes grow;

AND WHEREAS the Government of Ontario has announced a 2+1 pilot between North Bay and Temagami and a further extension toward Cochrane, creating a near-term implementation pathway;

AND WHEREAS modernizing Highways 17 and 11 will improve safety, reduce closures, strengthen supply-chain reliability for mining, forestry, agriculture, tourism and manufacturing, and enhance national resilience and emergency response capacity;

AND WHEREAS a phased 2+1 build - prioritizing Highway 11 (North Bay --> Cochrane, then Cochrane --> Nipigon) and key sections of Highway 17 (western border of County of Renfrew--> Sudbury; Sault Ste. Marie--> Sudbury; Thunder Bay--> Kenora) - aligns with nation-building criteria, supports economic reconciliation with Indigenous partners, and enables integrated EV charging and low-carbon construction practices;

AND WHEREAS analysis summarized by the Federation of Northern Ontario Municipalities, (FONOM) demonstrates high freight demand on these routes and strong safety / economic rationale for a 2+1 program;

BE IT THEREFORE RESOLVED THAT the Council for the Corporation of the Municipality of St.-Charles formally endorses the adoption and phased implementation of a 2+1 highway program on Highways 17 and 11 as a nation-building project;

AND BE IT FURTHER RESOLVED THAT the Government of Canada be urged to designate this initiative as a project of national interest under the Building Canada Act and to partner with Ontario to co-fund and accelerate planning, design, procurement, and construction;

AND BE IT FURTHER RESOLVED THAT the Government of Ontario be urged to expand the announced pilot to a corridor-wide program, sequencing works according to readiness, safety benefit and economic importance;

AND BE IT FURTHER RESOLVED THAT the Government of Ontario prioritize these projects into the Ministry of Transportation's Major Projects Division;

AND BE IT FURTHER RESOLVED THAT both governments ensure early, ongoing, and capacity-supported engagement with affected Indigenous Nations, with opportunities for Indigenous training, contracting, and equity participation;

AND BE IT FURTHER RESOLVED THAT the program incorporate corridor-wide safety features (barrier-separated 2+1 cross-sections, controlled passing frequency, wildlife considerations), resilience measures (closure mitigation, climate adaptation), and clean-growth elements (EV charging readiness, recycled aggregates, lower-carbon materials);

AND BE IT FURTHER RESOLVED THAT this Resolution be sent to the Prime Minister of Canada, the Premier of Ontario, the Minister of Transport (Canada), the Minister of Infrastructure (Canada), the Ontario Minister of Transportation, our local MP and MPP, Federation of Northern Ontario Municipalities (FONOM), Northwestern Ontario Municipal Association (NOMA), Association of Municipalities of Ontario (AMO), Federation of Canadian Municipalities (FCM), Rural Ontario Municipal Association (ROMA), Eastern Ontario Wardens' Caucus (EOWC) for support, and the County of Renfrew for information.

TOWNSHIP OF EDWARDSBURGH/CARDINAL

Resolution Number 2025-253

Moved By: J. L.

Seconded By: J. L.

September 29, 2025

WHEREAS the Township of Edwardsburgh Cardinal acknowledges that municipal infrastructure—roads, bridges, water and wastewater systems—underpins public safety, economic vitality and quality of life in Ontario's rural and small urban communities;

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities;

WHEREAS in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026;

WHEREAS fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities' ability to deliver and sustain essential services without incurring unsustainable debt;

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure financing;

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data,
