

# What can you expect as Niagara enters Stage 3?

You will complete a COVID-19 screen for symptoms upon entering

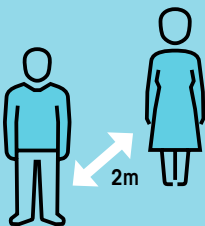

Businesses may take down your name and contact number (recommended)

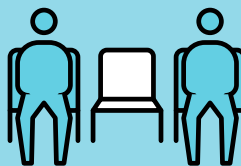

There will be visible signage (e.g. physical distancing, hand hygiene, guidelines, etc.)

There will be alcohol-based hand sanitizer available throughout the establishment

Establishments will take appropriate measures to ensure physical distancing of at least two metres between patrons

Establishments will take appropriate measures to ensure physical distancing of at least two metres between furniture and seating

Staff and patrons will be wearing face coverings (A face shield is not a substitute for a face covering.)

Remember to clean your hands before entering and leaving any public space
